

Designer Products

The LMT Designer product line is an innovative metallic and ceramic powder coated injection molded product line to enhance your fence, deck, and handrails. The Designer product line includes solar lighted post caps, low voltage lighted post caps, post skirts, and a variety of post cap designs using accent colors with textured finishes.

There are six standard colors to choose from, and some products can be mixed with standard LMT PVC/ Acrylic colors. Custom products and finishes are also available. Standard decorative finishes and colors are Patina, Antique Copper, Antique Gray, Antique Gold, Antique Brown, Cedar Wood Grain, and Hammertone Black. Designer post caps can be mixed and matched, have a different finish on the top portion while the the lower base (skirt) portion of cap can be a PVC/acrylic color such as white, almond, khaki, beige, or black. LMT Designer Products carry a 20 year replacement warranty and will not tarnish like stamped metal post caps.

New for 2012 are our expanded sizes now offered in 3 5/8", 4", 5", 5 5/8" and 6" to fit wood, PVC, and composite posts.
